COMPANY PROFILE

Smart Systems Integration Company

ABOUT US

Seven Stars Technology LLC is an IT systems integration company in United Arab Emirates. Seven Stars provides end to end solutions supporting the industry's most advanced information technologies, including Security Systems, Access Control, Structured Cabling, Computer Systems, lighting Control, audio visual, networking systems (hardware and software) and application software solutions. We translate these advanced technologies into value for our customers through our professional solutions and services. We provide services for residential to large establishments.

OUR MISSION

✦ To contribute outstanding value to Clients, Employees, Vendors and society at large, establishing enthusiastically satisfied long term partnerships.

✦ To expand our business and technology leadership position.

✦ To become an incredibly easy company to do business with through a culture of customer service.

OUR VISION

✦To be a respected and agile corporation that continuously enhances the value we provide through best-of-breed business solutions, delivered by best-in-class people.

CORE VALUES

✦ To have an environment of fairness, honesty, courtesy and appreciation.

✦ To provide a solid foundation for learning and growth and to develop ourselves to the highest standards.

✦ To provide attention to consistency, details and planning and to be excellent in execution.

✦ to be excited about Technology and be able to translate this into business value.

OUR COMMITMENT

Continuously seeking new technologies and concepts to keep our customers at the forefront of Technology. Seven Stars research and development section is exploring new solutions which will increase the efficiency, professionalism and profitability of the companies
